

## NAMES ON THE WAR MEMORIALS of SUTHERLAND

Prepared by Christine Stokes

2006

Further information on many of these names may be shown on the  
Commonwealth War Grave Commission website.

Please note that these have been transcribed mainly from our own photographs  
We apologise in advance for any errors and will quickly rectify them if they are pointed out.

*As with all my databases Mc and Mac names are shown here as Mac*

*Please also note that in the case of Macintosh and Mackintosh we have used Macintosh*

*This allows me to create a meaningful index.*

We are treating this database as ongoing – as time goes by it is hoped that we can add  
further information to this list of names.

If anyone can supply any further information please contact [chris-stokes@tiscali.co.uk](mailto:chris-stokes@tiscali.co.uk)

Photographs may be seen on my album at <http://rhemusaig.fotki.com/>
